YOUR GREATEST DESTINY!

6-MONTH CO-HORT

The Launch Your Greatest Destiny co-hort is designed to help you launch your dream/business. Just like the Eiffel Tower needed a strong foundation to support its majestic structure, you and your business/dream need an equally firm foundation.

This co-hort is designed for those who:

- Already have a strong personal foundation;
- Are interested in using the business building process as part of their continuing self-growth journey,
- Have a business concept or idea or an existing business they desire to launch to the next level
- Desire a small group format for accountability, structure and inspiration

THE 4 PILLARS

This 6-month journey will help you strengthen the 4 pillars every business/dream needs to have as a solid foundation to grow on (think of each one as a leg of the Eiffel Tower - without one of them your tower topples!) These are tied together with the steel of your intuition & spirit.

Client Enrollment:

Learn an authentic relationship-focused method of attracting clients that is used by coaches who are 6-figure earners. This topic includes who to talk to and how; methods for keeping track and following up with prospective clients; and an easy 3-step process to go from first connection to new client.

Marketing:

Learn how to market your business using a spirit of service instead of sales. Learn authentic strategies to reach your warm audience and to turn your cold audience into warm. You will develop a long-term strategy and being consistent with it and understand its results through metrics tracking.

Service/Product:

Clearly defining your product/service that you offer to your clients. This will include developing your own roadmap that will lead potential clients from connecting with you/your business, to free experiences, low-paid offerings, higher-paid offering and 1:1 services.

Business Structures:

How do you want you business to serve you? Includes: how you structure your business (on-line, in-person, combination.) Joyful time management, Systems that support your business (schedulers, zoom, email list service, payment options, website host etc)

Cost: Email for current pricing and next start date

Length: 6 months
